therefore ought not to have abolished fees in a School situated at a Distt Head Quarter in anticipation of Govt Sanction. He however says that no fees are levied in practising Schools attached to training institutions in Madras the loss of fees is estimated at only Rs 9 a month and the D.I. states that the abolition of fees in the Practising School will not affect the attendance of other Schools in the Mysore city, as the maximum number of students admitted in each class of the Practising School is limited to 30.

From

H J BHABHA, Esq, M A,
Inspector General of Education in Mysore

C S Balasundaram Iyer Esq B A,
Offg Secretary to the Govt of H H the
Maharaja of Mysore, General
and Revenue Departments,
Bangalore

Sir

I have the honour to inform you that in the Taluk Kannada Boys' School, Mysore, known as the Practising School, attached to the Mysore Normal School, the strength of the 1st class and the Infant classes has grown since the introduction kindergarten methods of teaching The total strength of the classes is about 70 with a total monthly fee collection of about Rs 9/-

2 In the Madras Presidency the children in the Practising Schools attached to Normal Schools have to pay no fees, as they are taught by normal students

and provide practical training for the teachers, and are not taught for their own sake

For the same reason I have ordered for the present the abolition of fees in the 1st and Infant classes of the Mysore Practising School with effect from 1 2 08, in anticipation of the approval of Government The usual admission fee will however be charged

4 As the admission to each of these classes is limited to 30 and the classes are now almost full, the abolition of fees now ordered will not in any way interfere with the strength of the Lower Primary classes of other local schools, whether Government or Aided, where fees are levied in the 1st and Infant classes

I have the honour to be,

Sir,

Your most obedient Servant,

H Prabha

Inspector General
